ABOUT THE JOURNAL

Indian Journal of Medical Sciences and Occupational Health (IJMSOH) is a Peer Reviewed Research Journal with quarterly frequency. The Journal seeks to promote research and exchange of scientific information in the field of medicine, surgery and allied sciences. Original research papers, review articles, short communications, letters to editor and case reports are invited for publication in this Journal. All articles will be peer-reviewed and published in IJMSOH based on the innovativeness of the research work and the relevance to the medical field. IJMSOH hopes that Researchers, Research scholars, Academicians etc. would make use of this journal for the development of science and technology. This journal follows the editorial and publisher guidelines formulated by COPE and are in the process of obtaining approval from COPE, OPSA and WEME.
